- IT Professionalism and Exploration

**Programming Languages** – Advanced in JavaScript, CSS, and HTML. Intermediate level in Python, C#, C++, MySQL, PHP, Java, and the Command Line/GitBash.

**Web/Software Tools:** Windows 7, 8 & 10, Mac OS, ASP.NET, GitHub, Apache Server, cPanel, Android Studio, Google Analytics, WordPress, Windows OS, great understanding of iOS, Unity, SQL Server Management Studio, Sublime Text, Eclipse IDE, Insomnia, MongoDBCompass, Unity Gaming Engine, Google, Firefox

**Microsoft Tools:** Microsoft Teams, Word, Excel, Microsoft Access, Visual Studio, Visual Code, OneNote, PowerPoint

**Collaboration tools:** Slack, Zoom, GitHub

### **Web Development Experience**

**Worked through WTC to customize a website for “The Children’s Museum” of La Crosse, WI**

- My team and I added an “I-Spy” game feature that allowed for kids to interact with an image to find items. Here is a link, <https://games.funmuseum.org/games/>
- We made it so after you find every object, you can reset, and it will automatically randomize the object placements again.
- We mostly used JavaScript and a little bit of PHP.
- As a class, we used WordPress for the design.
- We also used Microsoft Teams to communicate, meet up and share files.

**Developed a 2D Game for our summer Game Development class.**

- Learned how to use the Unity gaming engine.
- Worked a little bit with C# to add abilities and features to objects and characters in the game.
- Also worked with some animating to bring gaming sprites to life.
- The game is called “Pogo Man”, which is a 2D game where your character must pogo their way through different levels. Let me know if you’d like to see my game.

### **Work Experience**

**Customer Service, Ginny’s Cupboard, Sparta, WI**  
2013 - August 2019

March

- Learned good sanitation and organization skills while working as a Cook.
- Created good social skills, communicating with guests, co-workers, and my boss as a waiter.
- Provided great guest service and created a nice friendly environment for people.
- Worked as a Barista and developed great multitasking and speedy/quality service.
- Experienced working with the public in a fast-paced environment

**Retail, Target, Onalaska, WI**  
October 2018 –July 2022

- Learned how to work as a “Team Member” to meet the needs of the market department and store.
- Understand a variety of customer service devices including the Zebra devices and their POS checkout systems.
- Trained to properly handle food safety procedures.
- Developed great communication skills using walkie-talkies to work with my team.
- Managed my time well to make sure my work list was complete by the end of my shift.
- Maintained the Market department by making sure food and drinks were properly organized and not expired.
- Unloaded food trucks and properly ran the food to the floor or warehouse.

**Coaching, Sparta High School Women’s JV Volleyball team, Sparta, WI** August  
- December 2019

- Learned how to act responsible and accordingly for the students, teachers, parents, and other coaches.
- Developed great planning skills by creating a good practice routine and set of drills to better the players.
- Maintained proper formal skills to handle conflicts or to approach parents about their kids.

**Retail, DICK’s Sporting Goods, La Crosse, WI** August  
2019 – December 2021

- Worked as a sales associate in the Apparel Team where I learned great organizational skills for keeping the sales floor clean and neat.
- Learned how to unload a truck.
- Could unbox apparel and get out to sales floor in a single day.
- Also worked as a Cashier where I had great sales statistics when it came to scorecard and credit card signups.
- Very versatile due to my quick learning when it came to all departments such as Lodge, Team Sports, Apparel and Fitness.
- Eventually took a higher role as a “Cashier Lead” where I earned manager override numbers and would train new employees.
- Had a very good understanding of their POS system where I could run transactions, returns and curbside pickup orders.

**Warehouse Associate, Ashley Furniture Distribution Center, Arcadia, WI**  
December 2021 – August 2022

- Properly learned how to load and unload heavy furniture ranging from 10-600lbs.
- Trained on how to use a forklift, pallet jack and dolly.
- Had to work in a high pace environment making sure orders were ready and on time.
- Great understanding of their Zebra devices

### **Honors and Awards**

- Certified Full-Stack Developer from Michigan State University
- Cisco Networking Certificate
- Full Year and a half done at Western Technical College
- High School Diploma
- High School Student Athlete of the Month
- High Honors
- Community Student of the Month – Kiwanis Club
- Varsity Basketball and Tennis Team Captain

### **Availability**
